THE JOURNAL OF BORDERLAND RESEARCH

BSRF No. 1 Published by Borderland Sciences Research Foundation, Inc., PO Box 548, Vista, California 92083 USA. Edited by the Director, Riley Mansard Crabb, Doctor of Metaphysics in the Society of St. Luke the Physician.

The Journal is published six issues a year with the assistance of the Associates, at the Director's home, 1103 Bobolink Drive, Vista. It is printed, 36 pages an issue. The Foundation was incorporated under California law, May 21, 1951, #254263, and has been in continuous existence since then. Address all correspondence to the PO Box. The Journal is included in the Foundation membership of \$7.50 a year. Single copies and back issues of the Journal are now \$1.50 each. If you don't care to join you may receive the Journal by donating \$7.50 a year or more to the Foundation. The Director's wife, Ms. Judith Crabb, is office manager and Secretary-Treasurer.

PURPOSES OF BSRF: This is non-profit organization of people who take an active interest in unusual happenings along the borderland between the visible and invisible worlds. In the words of the late Meade Layne, founder and director of BSRA from 1946 to 1959: "BSRA publications are scientific in approach but employ few technical expressions. They deal with significant phenomena which orthodox science cannot or will not investigate. For example: The Fortean falls of objects from the sky. Teleportation, Radiesthesia, PK effects, Underground Races, Mysterious Disappearances, Occult and Psychic Phenomena, Photography of the Invisible, Nature of the Ethers and the problem of the Aeroforms (Flying Saucers). In the year 1946 BSRA obtained an interpretation of the phenomena which since has come to be known as the Etheric or 4-D interpretation, and which has not been radically altered since that time. This continues to be the only explanation which makes good science, sound metaphysics and common sense."

The chief present concern of the Foundation is to make this kind of unusual information available as a public service at reasonable cost. Headquarters acts as a receiving, coordinating and distributing center. An important part of the Director's work is to give recognition, understanding and encouragement to people who are having unusual experiences of the borderland type and/or are conducting research in any of the above fields. For consultation on borderland problems or for Spiritual healing through prayer, write or phone 714-724-2043 for help or for an appointment. Donations and bequests toward Foundation research programs and expenses are welcome.

The 28-page list of BSRF publications is available from Headquarters for 50¢ in check, coins or stamps. This includes brochures on borderland subjects, tape recordings of Mr. Crabb's lectures and of members of the Inner Circle, talking through trance-medium Mark Probert. Write to BSRF, PO Box 548, Vista, California 92083 USA.

BSRA No. 2 - A: FLYING SAUCERS AND THE NEW CONSCIOUSNESS - Proposes the idea that the elusive ships from outer space are forcing us to become aware that other dimensions of time and space are around us and within us. BSRA calls this the 4-D explanation of the Flying Saucers and says they are materializations from the Fourth Dimension. This explanation is rejected by the authorities in science and no political pundit would dare offer this to his constituents and hope to remain in office! Nevertheless the evidence for the Visitors' presence is incontrovertible, as Mr. Crabb shows in this illustrated talk; and we will have to try to come to some kind of an understanding of them, sooner or later. He reviews the granddaddy of all Saucer sightings by Harold Dahl, the Maury Island - Puget Sound incident of June 21, 1947 -- also the San Diego sighting of Oct. 9, 1946, first reported in BSRA publications. . . . \$2.25

BSEA No. 2 - B: FLYING SAUCERS AND THE COMING SPACE PROBES - Discusses the probability that true deep space flight is impossible for man in his physical body, and suggests the possibility that present physical structures won't hold together beyond the earth's magnetic field. The real reason for the U.S. Government's "silence policy" on Flying Saucers is given. Here also Mr. Crabb speculates on the probability of a Saucer landing at Edwards Air Force Base, California, in early 1954, gives new data on the tragic Mantell case of 1949, and reports on the findings of the Norwegian government regarding the crashed Spitzbergen spaceship of 1952. He charts the range of consciousness from matter to energy (or from physical to pure Spirit, depending on the point of view) and also discusses the evidence for the decay of our civilization. Illustrated, charts, 8 1/2 x 11, 28 pages mimeo. . . . \$2.25

BSRA No. 2 - C: FLYING SAUCERS AND AMERICA'S DESTINY - This is the lecture that contains so much data on the Polar Flip hypothesis. But more important than that is the revelation of America's leading place in the New Age, once the cataclysmic activity is over. He compares scientific data on the planetary cycles with that of certain astrologers, the Theosophical Society, the Space Teachers of George Van Tassel. Other subjects touched on in this well illustrated talk are: the sinking of Atlantis, the Judgment Day, the Trance of the CHange, the prophecy of George Washington, and the role of the Space Visitors at this time. The master, the major and the minor planetary cycles of the last 25,900 year period are charted. . . . \$2.25

BSRA No. 2 - D: COMMUNICATION WITH FLYING SAUCERS (And Their Occupants) Here we have an analysis of the problem of communication with outer space, both from the standpoint of the Visitors and the Invaders in our skies, and from that of the human being who yearns for more Light from Heaven. As the Venusian told Paul Vest in Santa Monica in 1953: "Our problem is to find people who can understand without fear, and cooperate without hesitation." So, this talk starts off with an explanation of the five different kinds of ESP, or mediumship, and the three types of contact. Included in this is a description of the characteristics of the psychic racketeer, and of the sincerely deluded contactee, mostly from Mr. Crabb's personal observation of them. There is also a listing of the seven basic character principles necessary for mediumship of the highest order, based on Manly Hall's writings. The talk concludes with a review of data on physical contacts with Venusians in Los Angeles in 1953. Illustrated, 8 1/2 x 11 mimeo, 28 pages. . . . \$2.25

BSRA No. 2 - E: THE REALITY OF THE UNDERGROUND CAVERN WORLD - An illustrated talk about the interior of the earth and those who live in it. This includes commend and analysis about the following: the origin of the Serpent Race, a magical ceremony for evoking Cavern dwellers in the Alps, the Shaver Mystery and the Deros, the Catacomb of Hal Saflini on Malta, human dwarfs and 20-foot giants, the Kingdom of Pan -- Fauns and Satyrs, the Planes of Consciousness in the Earth and a guided tour through the Interior, and in conclusion a message from an Earth god. 33 pages, 8½x11, illustrated, mimeo. \$1.75

BSRA No. 2 - F: FLYING SAUCERS ON THE MOON - Mr. Crabb starts off with the premise that the moon is inhabited and is a Flying Saucer base. This is backed up with an analysis of 200 years of astronomical observations on the moon. Illustrations include drawings of moon craters which show the layout of inhabited communities, and the movement of landed spaceships. The race to the moon will do what the Flying Saucer phenomenon didn't do, expand the consciousness of the human race. We are in the midst of this revolution now and Mr. Crabb gives some hints as to who will be most hurt and who most helped by this radical change in understanding. The last portion of the talk is given over to an explanation of the Etheric Worlds, and of the occult or hidden side of the moon and its control over the sex life of man. The Archange of the Moon, Gabriel, is also God of Dreams. Here is a hint as to why the Astronauts experience a "break off" in consciousness as high altitudes. 41 pages, 8½x11, illustrated. \$2.00

BSRA No. 2 - G: LUCIFER, THE LIGHT-BRINGER. Do you really know the Devil? When he first appeared? His official positions in the Occult Hierarchy? His other functions and responsibilities? His relation to the Extreme Right of Catholicism and the Extreme Left of Communism? This hour-long talk given at Harmony Grove, Calif., June 2, 1963, classifies and diagrams many aspects of the problem of Good and Evil, as seen through Occult Science and the Kabala. There is much food for thought here and the philosophy from the Western Mystery Tradition may make the birth pains of the New Age a little easier for you to take! An interesting dialog with a devil is included, the one who inspired the Kaiser in World War I. 31 pages, 8½x11 mimeo. \$1.75

BSRA No. 2 - H: AN ATTEMPT AT COSMIC MEDIUMSHIP by Riley Crabb, Director BSRA, contacting members of the Inner Circle for a trial period of four months, August through December, 1960. 36 pages of notes on the problems of telepathic communication and of managing BSRA, plus a five-page introduction with a helpful explanation of the tell-tale characteristics of messages from the different planes. Mimeo . . \$1.50

BSRA No. 2 - I: THE SPACE TRAVEL PROBLEM AND HOW WE'LL SOLVE IT, Through Mastery of Occult Science! Director Crabb's review of the almost insoluble problem of keeping a man alive, sane and well in deep space, as revealed in the press, given to the San Francisco Interplanetary Club, Sept 25, 1964. Insoluble that is, unless the Astronaut becomes an Adept in the power of mind over matter -- in the honorable pagan tradition of the Kahuna, the Shaman, the Yogin, the witch-doctor. Illustrated, 35 pages, 8½x11 mimeo. \$2.00

BSRA No. 2 - J: FLYING SAUCERS UNCENSORED - BSRA Foundation Director Riley Hansard Crabb here analyzes in detail the UFO landings at Edwards AFB, California in 1954, and the Air Force's subsequent launching of an anti-gravity research program which now promises a breakthrough by 1970! There is a large section, illustrated, on occult chemistry and vortexian physics, on which technical and mental control of gravity can be established. This includes a review of Dr. Puharich's famous chapter 11 on PSI Plasma from his "Beyond Telepathy" book. New and old UFO sightings are illustrated and analyzed. Lao Tse of the Inner Circle tells us why UFOs are here and M.K. Jessup tells of his after-death trip to Venus in 1959 and present work for peace. 48 pages, mimeo. \$2.25

BSRA No. 2 - K: SPACECRAFT FROM BEYOND THE SUN - Continuing his deep probing of the constant presence of the Visitors, for the 10th Annual Northern California Spacecraft Convention in Berkeley, October 1966, Mr. Crabb said the Flying Saucers are here to make an examination for the record of the last days of this Piscean Age civilization. So are the Visitors here to oversee the birth of a new Aquarian Age civilization! This talk is a review of prophetic material about this critical period, 1966 through 2000 A.D. It includes a review of the Coming of the Masters, from Alice Bailey's "Treatise on Cosmic Fire", a trip to Sirius, the central sun of our super-solar system, and the coming a new Sun into our Solar System, as described to Dino Kraspedon in 1952. 48 pages. \$2.25

BSRA No. 2 - L: PSYCHIC SURGERY IN THE PHILIPPINES AND PAGAN HEALING IN HAWAII - 100s of Americans have gone to Manila for psychic surgery. Many have brought back colored movies to back up the fantastic operations by spirit doctors through mediums Terte and Agpaoa. BSRA associate Dr. Nelson Decker trained under Tony Agpaoa and was initiated with the healing "power". Only an occult scientist can intelligently analyze this borderland phenomenon and give some explanation of the Invisible Forces at work. This talk contains Dr. Decker's experiences in Manila and Mr. Crabb's own personal contacts with Bible Kahunas healers in Hawaii. For those who cannot afford a trip abroad, the talk also includes detailed descriptions of BSRA Foundation test equipment which has helped some Associates to help themselves with an active borderland research program. 45 pages, mimeo 8 1/2 x 11. . . \$2.25

BSRA No. 2 - M: THREE GREAT AQUARIAN AGE HEALERS - In his second talk on Psychic Surgery the BSRA Foundation Director examines the outstanding work of Dr. Wm. Lang, who died in 1938. The good doctor now carries on his practice through medium George Chapman at Aylesbury clinic in England. Here Dr. Lang explains just how a spirit doctor works. In the second section Mr. Crabb analyzes New Age Color Therapy developed by Drs. Pancoast and White, and explains the basic Kabbalistic principles on which all successful color therapy must be established: Balance and Rhythm! This mimeo book of over 50 pages is illustrated with pix of the doctors and technical drawings, including the construction of a simple, duo-rhythm color machine along the lines developed by Dr. White in Los Angeles in the 1920s after hundreds of experiments. \$3.00

BSRA No. 2 - N: WHO FLYS THE SAUCERS? Are they super-beings? Are they robots? Are they humanoids? Or all three? Even the sceptical Saucer researchers are now taking a closer look at the life-forms manning the elusive UFOs. They are re-reading the contactee stories for clues as to the identity and purposes of the Visitors or the Invaders. The answers are what they have always been since before 1947: Both Good Guys and Bad Guys are coming here from outer and from inner space. From the extensive files of BSRF, a 25-year accumulation of UFO data, Mr. Crabb marshalls the hard evidence for the reality of at least three different kinds of Visitors. This includes first-hand accounts of contacts with Tin-Can and Jelly-Bag robots, the Three Men in Black, with the advanced Guardian Vknors from Venus Etheria, and the Ashtar Command with its Guide Lines For Space Contact. 48 pages, illustrated, 8½x11 mimeo print. \$2.25

BSRA No. 2 - O: MEETING ON THE MOON The Director brings the UFO picture up to date in 1969 with Clips, Quotes and Comments. This is a combination of two Saucer talks given to the San Francisco Interplanetary Club, Nov. 1968 and April 1969. It includes such subjects as the Madrid, Spain sighting of Sept. 1968, John Keel on the Men In Black, an American Flying Saucer, the Oklahoma Burn Case, Deros and Thought-Control machines, the Cavern World - Earth and Moon, Ashtar's view of Armageddon, Russians on the Moon in 1968?, Radio signals from the Moon in 1938!, the Mars Stronghold on the Moon in 1959 and attempts to contact it, and Ash-tar's Creed of the Unorganized. 48 pages, illustrated. \$2.25

BSRA No. 2 - P: FLYING SAUCERS AT EDWARDS AFB, 1954 - This is a compilation of all the BSRA documents about the secret landing of UFOs at the Air Force Base, Muroc Dry Lake, California high desert. We have reproduced Gerald Light's original letter to Meade Layne on the UFO landing, received April 16, 1954, Layne's Special Bulletin of April 16, 1954, and the lengthy interview ab out the Muroc-Edwards landing with Ramon Natalli' and the Yada through Mark Probert the following day, April 17, 1954. The general im-port of their conversation was that the world faced almost certain destruction by total atomic warfare at that time UNLESS our leaders were shocked into full awareness of their suicidal course. A show of presence, and force, by Guardian spaceships apparently was the method chosen. From our vantage point of an un-destroyed world in the early 1970s, it appears that the 1954 landings were suc-cessful; for it is quite likely that similar landings, and warnings, were made at secret military bases in China and Russia at the same time. This brochure also includes special report 10-C-53, transcript of a dialog between the Yada di Shi'ite and four physicists from the aero-space industry in San Diego at the time, about the "interior gravitational pull of the atom" and other undie-covered forces. Illustrated, 8½x11 printed, 39 pages. \$2.25

WORKS OF N. MEADE LAYNE, Founder and First Director of Borderland Sciences Research Associates, 1945 - 1959. Mr. Layne passed away in San Diego, Calif. in May 1961.

BSRA No. 3 - THE COMING OF THE GUARDIANS - Compiled by Mr. Layne, contains the 4-D explanation of the Flying Saucers, Biographical notes on members of the Inner Circle who communicate through medium Mark Probert, Communications of the Inner Circle concerning Flying Saucers, Information about the Guardians of the planet, received through Associate Rolf Telano, Notes on the Mark Probert mediumship, and Chart of the Etheric Zones surrounding the earth. 90 pg, bound, mimeo - \$3.00

BSRA No. 4 - THE ETHER SHIP (FLYING SAUCER) MYSTERY and Its Solution - Flying Saucer beginnings in 1946, the Air Force inquiry, Etheria and the Etherians, the Technical Explanation, Limits of Tangibility, Philosophical Considerations, Charts: the 7 physical sub-levels, Etheric Hypothesis, the Kabalistic Tree of Life; the Ether Ship propulsion problem by John Hilliard, Comment by Associates and Inner Circle, and references to Flying Saucers in Oahspe, and Summary and Conclusion by Meade Layne. 40 pages, 8 1/2 x 11, mimeo, illustrated. . . . \$1.50

BSRA No. 5 - THE ETHER OF SPACE - Contains several chapters from Sir Oliver Lodge's "The Ether of Space", quotes from Eddington's "Nature of the Physical World", and from J.W.M Sullivan's "Limitations of Science", most important is the inclusion of a discussion of the whole matter by Inner Circle Member, Ramon Natalli. Meade quotes extensively from Lodge "because he is the best known of the early investigators of the properties of the ether, conceived as a homogeneous medium; because he emphasizes the extreme density of the ether, and the nature of ordinary matter as being rarefactions of aggregates of modified ether units -- and because these ideas must be grasped if the phenomena of the Flying Saucers is to be understood." 27 pages. . . . 50¢

BSRA No. 6 - MEDIUMS AND MEDIUMSHIP - Contains (1) general considerations of mediumship, (2) Kluski, the medium of Warsaw, reported by Pawlowski, Prof. of Anatomy, Univ. of Michigan, (3) Carlos Mirabelli, Brazilian medium, (4) the question of identity, (5) the approach to the idealistic philosophy, Layne, (6) Speaking of Myself, Mark Probert and Notes on the Seances, 25 pages, 8 1/2 x 11, mimeo. . . . 50¢

BSRA No. 7 - RETRO ME, The Practical Magic of Psychic Self-Defense, was compiled by Mr. Layne in answer to many requests for information of this sort. He proved the value of these methods through many years of study and practice of the occult arts. Retro Me is concerned chiefly with methods of sealing the aura and the use of simple ritual: The Circle for Banishment and Protection, Use of the Pentagram Against Elementals and in General, the Pentagram Ritual, On the Use of Ritual, Statement of the Inner Circle on this Subject, Obtaining Desired Things, Vampirism, Talismans and Symbols, etc. 11 pages, mimeo. . . . 50¢

BSRF - INNER CIRCLE CATALOG 1976

INNER CIRCLE SEANCE MATERIAL through Mark Parobert, medium. He was a "sensitive" from birth but had little or no interest in metaphysics until psychic phenomena began manifesting through him to an alarming degree in the mid-1940s. He went to Meade Layne in 1946 for answers. Mr. Layne was a retired college professor and life-long student of the Mysteries. As Meade became acquainted with Mark's controls in the seances that followed he realized that here indeed was a most remarkable contact with the Inner Planes. This was not the Spiritualism of personal messages, but man-to-man exchange of ideas with worldly wise, cosmopolitan men and women, learned, even cynical at times, but possessed of praiseworthy tolerance and understanding withal.

MARK PROBERT

No. 8 Series - Seance memoranda from the Inner Circle from Sept. 22, 1946 through Feb. 1949. Meade Layne originally released 14 of these memoranda in all, each containing stenographic transcripts from several seances. The Probert mediumship was remarkable in that many different people from all walks of life took over and discussed a wide range of topics with the sitters or visitors, ranging from abstract philosophy to daily personal problems. For convenience and economy we've grouped the original Memoranda into larger volumes of about 50 pages each, indexed much of the material and included portraits of the leading members of the Inner Circle, drawn from originals by Mark Probert.
