MISCELLANEOUS BSRA PUBLICATIONS

BSRA NO. 11 - VITIC - Research project on the physiological effects of Carbon Rod in one hand and an Alnico Magnet in the other, from data assembled by Brian Brown in "Dynamic Power of the Mind", from Nandor Fodor on Reichenbach and Odic force, and miscellaneous notes by Meade

Layne and Yada di Shi'ite on inducing increased vitality, known only to secret priesthods of Egypt and Tibet. Added information from Count Walewski on Sun (Carbon) Rod and Moon (Magnetic Iron) Rod, with special diagram of pulsed vortex of magnetic energy suggested by Dr. Anton Mesmer through a medium in Pomona, California in 1960. Mesmer's diagram calls for two powerful Alnico magnets mounted so they pull toward each other, but far enough apart so one hand can be placed between them, holding the unmagnetized iron or steel rod. A one-loop coil of insulated copper wire, with ends overlapping, about 6" in diameter is around the steel handle. The other hand holds a 1x6 inch carbon rod, or bundle of smaller rods.

Alnico Magnets will do, about 50 lb. pull each.

We can have a Vitic Kit made up for you, easily assembled, complete with parts and instructions for a test program. \$40.00
 The MAGNETIC VITALITY Brochure, 8x11, illustrated. 2.25

In our continuing search to find beneficial, invisible forces to correct physical conditions, borderland research has led us to the clinical successes of Dr. Anton Mesmer, 200 years ago, in Vienna and Paris. Our modern experience in California so far verifies that of the good doctor. The human vitality which he called "animal magnetism" can be augmented and reinforced, even purified, with the pulling or drawing current from an iron or Alnico magnet, especially when carbon is used to complete the magnetic circuit. The extra energy from the carbon is drawn in along the nerves to recharge the system. The magnet is held in one hand or placed on the body where needed. The carbon is held in the other hand or placed on the body where needed. This is a novel idea to most people and a fitting subject for borderland research. Why not try it? Sample kit of one magnet and one carbon rod \$7.50 postpaid.

BSRA No. 12 - TWO INVENTORS RETURN and PROJECT HERMES

The first section is by General Electric Co. engineer J. Gilbert E. Wright on his psychic contacts with Steinmetz and Edison, trying to gain useful info on construction of a psychic microphone. He was successful after being told to incorporate "bouncing putty" in it. Also included are sketches of the Edison Psychic Mike (unsuccessful) and the Vandermeulin signalling device (successful). The second section of eight pages is on PROJECT HERMES, an electronic device for stimulating the telepathic transmitting and receiving centers in the brain, with instructions for building it, with diagram, and discussion of its possible effects on the user. \$2.00

BSRA NO. 13 - THE HEFFERLIN MANUSCRIPT

PART I - Select portions of Gladys and W.C. Hefferlin's descriptions, received telepathically, of the fabulously unbelievable Rainbow City in the Antarctic continent, including details of the vast underground terminal and tunnel system to all the world, the Ancient Three and how they operate, the mysterious Portals for transporting their agents -- and for the kidnapping of the unsuspecting; and the Serpent People, man's ancient and relentless foe in the migration from planet to planet. The Hefferlin material is a curious and fascinating tale impossible to verify without direct experience or contact; nevertheless, we believe it deserves a place in every borderland researcher's library, along with the Shaver material on the Cavern World. UFO researcher Al Bender reports several Astral visits an Antarctic UFO base. Our 30-page excerpt from the Hefferlin Manuscript. .(Part I). . . \$2.00

BSRF NO. 13 - THE HEFFERLIN MANUSCRIPT

PART II (On Developing Spiritual Power) These instructions from the Book of IMRI are short simple and easy to read: How to Take Divine Power From the Atmosphere, Projecting the Power, Neutralizing Unwanted Vibrations In the Body, Revitalizing the Body, The Law of the Candle -- and Its Relation To Body, Mind and Spirit, Meditation and the Candle, the Law of the One, the Law of Possession, the Law of Earthly Living, Meditation, Creation and the Cosmic Triangle, the Path of Evolution and the Seven Planes of Consciousness, Soul-Mates and Polarity, Charging Water for Healing and Laying on of Hands, the Secret Name of God; also the Grapevine of Peace, and an Explanatory Article by Gladys Hefferlin. \$2.00

BSRA No. 14 - M.K. JESSUP and THE ALLENDE LETTERS

Have you heard of the L-Ms and the S-Ms? Two races which occupy the space between the earth and the moon? UFO researcher M.K.Jessup did! Three gypsies read his book, "The Case For the UFO", and made marginal notes indicating they knew of these space beings. They also suspected that Jessup had cracked the secret of gravity; so here are some of the factors leading to Jessup's apparent suicide in Miami, Florida in 1959; though there is good reason to believe that Jessup's death was arranged by goverment agents. He knew too much! Included are the introduction to the Varo edition of "The Case For the UFO", and copies of Gypsy Carlos Allende's startling letters to Jessup about a disappearing Navy destroyer and crew in the

fall of 1943-44. There is a description of the disastrous effects of a powerful anti-gravity field on Navy men. To these tantalizing hints that space-time and gravity are tied in a neat package we have added Kitselman's biographical notes on Townsend Brown, the electronics wizard who has developed a true atmospheric drive, and "Towards Flight Without Weight" from Interavia Magazine, with comment by Gray Barker, Inez Robb, Dino Kraspedon and the Yada di Shi'ite. Finally, we have included what we believe is a message from Jessup, describing a Flying Saucer trip to Venus after his untimely death. He also describes his present work for peace and understanding between fellow humans here on earth. 46 pages, 8½x11, mimeo. \$2.25

BSRA NO. 15 - THE CAMERON AURAMETER This book adds another chapter in the art and science of dowsing, or water-finding, and the achievements in that field by the late Verne L. Cameron. It also describes the out-of-this world performance of a metal instrument invented by him, the Aurameter, or water-compass. Chapters include an introduction by Meade Layne, Verne Cameron's own story, Delineation of the Human Aura, The Aurameter and Vitic (nerve energy derived from magnet and carbon), Psychic Investigations, Eeman Circuits, and Locating Underground Water. Illustrations include drawings of the different force-fields or auras around men and women, man's higher bodies, fields of force generated by metal cones, pictures of Meade Layne, Max Freedom Long, Riley Crabb and Verne Cameron, and a drawing of the Yada. 90-page book. . . . \$4.00

BSRA NO. 16 - COLOR, A BRIDGE TO THE NEW AGE One of the manifestations of the New Age is an increased awareness of and interest in color. We are entering the Space Age and color is a function of space. Intuitive consciousness is unfolding in men and women. Artists express this in abstract painting and Op Art, but the inner world of living color is expressed more dynamically with brilliant, flowing colors projected on a screen. Add to this appropriate music and incense keyed to the color and you have a new, enthralling art form which can significantly expand one's inner awareness. All this and more is discussed in this 20-page brochure. It also contains color/music note charts and the Cabalistic Tree of Life, on which are shown the relationship of the planets, their colors and the Signs of the Zodiac. Also valuable references. . . . \$1.25

BSRA NO. 17 - COLOR, ITS MANIFESTATION AND VALUE by Kitty Cowen
16 lessons on Color by a Rosicrucian teacher. Subjects include: The Solar Origin of Color, the Meaning of Color, Revealing Colors, Healing Colors, Colorful Words, Color and Drugs, Colors of the Seven Rays, and Colors of the Mystery Schools. The late Miss Cowen drew from the works of Max Heindel, Dr. Edwin Babbitt and Corinne Heline, as well as from her own extensive experience in color therapy. 40 pp. . \$2.00

COLOR ORGAN PLANS - Complete set of plans and instructions for building a basic, Colorahma moving-color projector developed by the BSRF director. See BSRA No. 31, page 26.

BSRA NO. 18 - THE SECRET CITY IN THE VALLEY OF MYSTERY An English ad-
venturer, Ted
Illion, was invited to visit an underground Holy City in Tibet, with
the expectation that he would join the Black brotherhood and give up
his soul to the exalted? ruler there, the Tashi Lama. He refused mem-
bership and fled for his life. Here is one true story as fantastic
as the Shaver mystery, and more believeable! The story is from his
out-of-print book "Darkness Over Tibet". He found that the Brother-
hood lived on human flesh; he witnessed a midnight Mass in a cavern
temple where the blood of the Master was real, human blood! Here is
the major reason why Communist China had to invade Tibet to destroy
this subversive, ultra-right wing priesthood with cancer-like tenta-
cles all over the civilized world. 49 pages, 8½x11 mimeo. . . \$2.25

BSRA NO. 19 - I DISCOVER THE IMMORTAL CELL By John Brown, with ad-
ditional articles by
Joe Dun Sloan, Hilary Dorey and Riley Hansard Crabb. This brochure
contain's Brown's own story of the development of the B-Cell catalyst,
a new cell which precipitates minute crystals. These radiate vital
energy in water, which in turn passes it on to living organisms, stim-
ulating their growth. Cell-stimulated water seems to discourage in-
sects from attacking plants in the garden. Mr. Brown passed on in
1958 but BSRA Foundation research continues on this fascinating, New
Age development. Brown's assistant, Hilary Dorey continued producing
the catalysts in Rhode Island until his death. Joe Dun Sloan makes
and sells them here in Southern California. Prices and availability
of the D-Cells can be had from Mr. Sloan. Names and addresses are
in the brochure, well illustrated with Cell drawings. 25 Pp. \$1.75

BSRA NO. 21 - THE PSYCHEDELIC EXPERIENCE With accounts of personal
experiences by Riley Han-
sard Crabb (Mescaline), Larry and Kathleen Chatterton (LSD 25), and
Bernard Copley (Peyote), and with a summary of years of research by
Dr. John W. Aiken, Socorro Clinic. Crabb found that to take the
drug is self-surgery with the mind, opening up the user's whole in-
terior world to his astonished gaze. Kathleen Chatterton's trip
under LSD was a return to a former life in Egypt a long time ago.
Copley took Peyote as a part of a Moon ritual with Navajos in New
Mexico, and union with all life. 48 pages, 8½x11 mimeo. . . . \$1.75

BSRA NO. 22 - INNOCENT III, HIS LAST YEARS The Director's first ser-
ious attempt in the use
of ESP was the writing of this 98-page biographical sketch of the
last years of a great Pope of the early Middle Ages -- after his
supposed death in 1216 A.D. It's an adventure story starting with
the Pope's kidnapping in the gardens of the Vatican, the stormy voy-
age across the Atlantic and his self-imposed seclusion in a pagan
temple on a Yucatan hilltop to the end of his days. Is it true?
Who knows? During later experimental ESP writing we were told that
Abraham Lincoln was a reincarnation of Innocent III! This revelation
arouses interesting, even awe-inspiring speculation about the Law of
Rhythm as it effects humans. Mimeo book, 8½x11. \$2.50

BSRA NO. 23 - THE LETTERS OF A LIVING DEAD MAN Thirteen radio dramas from the nationally famous (1915) Letters from the other side of the Veil by Judge David Patterson Hatch, adapted from the book by BSRA Director. You will find these heart-warming, highly dramatic, deeply spiritual stories contain the profound philosophy of the Masters of the Wisdom in easily understandable, shrewdly illustrated form. Read them for entertainment. Study them for enlightenment as to what life may be like for you when you cross the border. Judge Hatch, a Theosophist, died in Los Angeles in 1912. Soon after, he contacted his self-chosen medium, Elsa Barker, in her Paris apt. for the first letter. 95-page Mimeo Book, \$3.00

KABALISTIC STUDIES by Riley and Judy Crabb

BSRA NO. 24-A: THE INVISIBLE REALITY BEHIND APPEARANCES, Part I

Now in mimeo book form we offer the first three of a series of lessons in Occult Science, developed by Americans for Americans living within the Western Mystery Tradition! Each lesson has three subsections: 1. Theory, 2. Practice of Workshop, 3. Discussion. The book is indexed and there are many drawings and illustrations to help the imagination. The material was developed and streamlined in actual class work in Florida and California. There are drills in concentration, relaxation, rhythmic breathing and visualization -- all necessary conditioners for controlled ESP or the expansion of consciousness beyond the physical. The Ground Plan is the Kabala and the Tree of Life of the Western Mystery Tradition. 95 pages, 8½x11. \$3.25

BSRA NO. 24-B: THE INVISIBLE REALITY BEHIND APPEARANCES, Part II

Lessons Four, Five and Six, with talks on "The Three Great Occult Traditions", showing how our tradition came from Atlantis, through Egypt; "The Four Planes of the Universe", and "The Creation of the Universe". Continuing to give the sincere student a comprehensive system of self-development, designed to put him or her in touch with their own Higher Self or Master, and within That the All Present Creator. We continue the daily "five-finger exercises" of the mind by which you raise your personality to concert pitch, establishing your own disciplines, working at your own pace. Remember, controlled ESP is a fine art, worthy of your highest efforts. 75 pages. . . . \$3.25

BSRA No. 24-C: YOU LIVE IN FOUR WORLDS - Lesson Seven in the Invisible Reality Series on the Kabala. Section I deals with your four-fold nature: Spiritual, Mental, Emotional or Astral, and Etheric-Physical. These divide into seven sub-levels and are clearly charted. There is a 20-page discussion of how these "worlds" register in your consciousness, including music representation of them. Section II contains a Ritual of Abundance, the 2nd Pentacle of Jupiter, plentifully illustrated with "how to do" drawings of the Kabalistic Cross and the Lesser Banishing Ritual of the Pentagram -- so powerful for purification and protection! These simple rituals prepare you for more advanced work. Section III gives you the characteristics of the Four Worlds when contacted. This knowledge is invaluable to the student whose consciousness is opening up to other levels of awareness, and the ability to distinguish between the false and the true is sorely needed. 68 pages, printed. \$2.50

BSRA No. 24-D: THE FOUR WAYS TO FREEDOM - The Way of the Faqueer.
Lesson Eight in our Kabalistic series on the Invisible Reality Behind Appearances. This is adapted from one of Ouspensky's studies with Gurdjieff in St. Petersburg in 1916. We relate the Four Ways to the Four Worlds covered in Lesson Seven. These "ways" are the Way of the Faqueer (physical), the Way of the Monk or Nun (emotional), the Way of the Yogin or Kabalist (mental), and the Way of the Adept (spiritual). All are described in this lesson, but the emphasis is on the Faqueer and the subduing of the physical body through control of mana, prana and ectoplasm. This lesson is well illustrated with the four Tarot trumps picturing the Four Ways and with pictures of materializations taken by an Associate. 48 pages. \$2.25

BSRA No. 24-E: THE WAY OF THE NUN - The Life of St. Theresa of Avila.
Lesson Nine of the Invisible Reality Series is an illustrated review of the life of this great Mystic, with emphasis again on the four levels of consciousness. Theresa called these The Four Waters of Prayer. There are dramatic illustrations of these Four Worlds from her own trances, visions and ecstasies. This Second Way of the Four is one of the shortest of all because of the terrible self-sacrificing martyrdom of the Mystic. When reviewed from our vantage point of Hermetic Wisdom, Theresa's autobiography is one of the most illuminating books on occult science in the Western Mystery Tradition. \$2.25

BSRA No. 24-F: THE MASS or The Celebration of the Eucharist.
Lesson Ten of the Invisible Reality Series is an illustrated review of the essential parts of Charles W. Leadbeater's masterful work on "The Science of the Sacraments". The Mass is the most commonly performed magical ritual in the Western world. Every student of the Mysteries should be familiar with it as it is central to the Kabalistic Tree of Life! The Mass is an invocation of the God-force of Tiphareth, the Sun-center on the Middle Pillar. This talk includes illustrations of the Etheric structure built on the Inner Planes by the Angels of the Eucharist as the Mass progresses. There is an occult explanation of the "miracle" of transubstantiation. (available on tape also) 40 pages, printed. \$2.25

BSRA No. 24-G: THE WAY OF THE MONK. Lesson Eleven reveals there is the lower Way of the cloistered devotee with his robe, his mortifications of the flesh, his unquestioning obedience to his superiors, his selfless service; and there is the higher Way of the advanced Mystic who has freed himself from all, or nearly all, physical limitations. He is ready to graduate from the human kingdom. We have chosen Krishnamurti as one of the best contemporary examples of the Second Way, using his own illuminating dialog with journalist Rom Landau at Carmel, California to reveal his innermost thoughts and feelings on this Path or Way to Freedom \$2.25

BSRA No. 24-H: TULKUS, A TIBETAN INITIATION - The Way of the Yogin or Kabalist. Lesson Twelve reveals the technique of Self-Conscious Reincarnation practiced by the Tibetan Lamas. It was by this advanced Yoga practice that the Lamas kept control of their power and wealth through a series of incarnations. Tulku was a per-

version of the doctrine of the construction of the Solar Body or Body of Light, the only way to get out of the world alive! This advanced work was taught under highly secret conditions in the Western Schools as well, as there are veiled references to it in Gnostic teachings, for instance; so, Lesson Twelve is one of our most fascinating and readable lessons, delving as it does into some of the most secret practices of that land of mystery, Tibet. The text is heavily illustrated with drawings and pictures. 54 pages, printed. \$2.25
Cassette tape or Monaural, 5 in. reel, 3 3/4 speed \$6.50

BSRA No. 24-I: THE WAY OF THE YOGIN or KABALIST. The Yoga of One-pointedness is described and illustrated in Lesson Thirteen, drawing from Evans-Wentz's studies in "Tibetan Yoga and Secret Doctrine", and from Behanan's "Yoga, A Scientific Evaluation". We review briefly the development of Indian Philosophy and Yoga from the earliest Vedic hymns to the Upanishads and Patanjali. Credit is given to Kapilya, one of the greatest of pre-Buddhist Hindu reformers, whose teachings are still preserved in the Samkya school. The 12 different Yoga schools are listed. Emphasis is on the Yoga of One-Pointedness as developed by Tibetan Buddhism, the Middle Path or Middle Way (which we Westerners show as the Middle Pillar on our Tree of Life), avoiding the extremes of asceticism on the one hand and worldliness on the other. (Tape only at present, \$6.50 Cassette or 5 in. reel-to-reel, transcribed and printed, we hope, in late 1976.)

BSRA No. 24-J: THE FOURTH WAY, or Way of the Adept. Lesson Fourteen is largely a review of the lives of the Hungarian Adept, Francis Rackoczi. This Regent of the West seems to have had more to do with the shaping of our present civilization than any other individual, as is indicated by his series of lives in Europe, especially that of Sir Francis Bacon, As Poet he wrote the great Plays under the pen name of Wm. Shakespere. As Statesman he encouraged the Protestant colonization of North America and established the principles of scientific research. As occult scientist he reformed and revitalized the Masonic and Rosicrucian fraternities. As philosopher he established the English language as the great educational tool of the West, through the Plays and through supervision of the translation -- and formalizing the style -- of the King James version of the Bible. He was also St. Alban, the Roman soldier-martyr of the 3rd Century; Proclus, the Neo-Platonic philosopher of the 4th Century; and Roger Bacon, the pre-eminent magician-scientist of the 13th Century. (Tape only at present, \$6.50 Cassette or r-t-r, transcribed and printed in 1977.)

BSRA No. 24-K: THE FIFTH KINGDOM and THE SEVEN RAYS. Lesson Fifteen is a look into the future and the establishment of a world-wide discipleship of dedicated men and women, students of the Mysteries. This is a Fifth Kingdom in Nature, something never before experienced on this planet. Only now are there enough advanced souls in incarnation to reach beyond national boundaries and link up in fellowship, creating a true basis for world government. (Tape only, etc.)

BSRA No. 25 - FRANCIS BACON, 1597 Our second mimeo book on the hidden side of the life of England's great Lord Chancellor is a romantic look at three harried days in 1597, July 26, 27 & 28. All London Playhouses were closed down by order of the Queen. A warrant was issued for the apprehension and arrest of the writer of the treasonous Plays put forth under the name of Will Shakes-peare. Actor Will was home sick at Stratford, ready to flee to safety across the Channel until the heat was off. Francis Bacon, the real writer of the plays, tried to commit suicide at Gorbambury to escape arrest and torture. But there was the beautiful Lady Hatton to save him from his folly and to give him loving consolation. Mimeo book, 125 pages, illustrated. \$2.50

BSRA No. 26 - EEMAN SCREENS, THE BALANCING CIRCUITS

The polarity of parts of the human body has been a well kept secret of Occult Science for thousands of years. The upper part is positive, the lower negative, right hand positive, left hand negative; but it took the borderland research of Englishman L.E. Eeman, 40 years ago, to prove that vitality or human ectoplasm flows like electricity! He showed conclusively that unhealthy spiritual, mental, emotional and physical states can be brought into balance by hooking up the positive and negative areas with copper screens and wires. Pertinent excerpts from Eeman's book "Cooperative Healing", published in the BSRF Journal, have been combined into a 20-page brochure, along with results of research and testing carried out so far by Associates. This is one way to prove objectively the existence of etheric energies ignored by orthodox science. If you want to set up a test program and can't make the Screens, BSRF can have a pair made for you, complete, \$8.50 a pair, postpaid. 20-page Brochure, \$1.50

BSRA No. 27 - THE OTHER MEANING OF CHRISTMAS - For the serious student of the Mysteries of the Western Tradition, an explanation of symbols and symbology in the Gospel story. Sub-heads: - The Christmas Initiation, the physiological Awakening, the Higher Trinity, the Three Signs of the First Great Initiation, the Winter Solstice, the Two Christmas Archetypes, the Womb of the Earth, the Queen of the Angels, the Sun Behind the Sun, the Tree of Life, Tarot Trump No. 19 and a Christmas Ritual. Everyone who is trying to regenerate himself under the stimulus of Aquarian Age influences is living the Gospel story whether he realizes it or not! As Geoffrey Hodson says: "We all have nativity, conversion, baptism, of sorrow, transfiguration or upliftment, betrayals and crucifixions." and this five-fold cosmic cycle is repeated over and over again as we move through incarnation here on the surface of the earth. This is preparation for the five Great Initiations which wind up our human evolution. 8½x11 mimeo, illustrated, 41 pages. \$2.00
5 in. reel-to-reel tape or Cassette. \$6.50

BSRA No. 28 - THE HEART TO HEART TRANSPLANT (And How To Do It Etherically)

Point of departure here by Mr. Crabb is the gruesome but profitable business in vital organ transplants. Readers will be surprised to learn that doctors themselves dont agree on when a person is dead; for if a heart is to be transplanted it must still be alive; so is murder committed when the still-beating heart is removed? But then he goes on into the much larger problem of health and disease in general and how life is sustained in the physical body by the vitality body or Etheric Double. Of especial interest to the student of the Mysteries are the levels of Etheric matter: Earth-Moon, Solar and Cosmic, and how these relate to the person through his glands and through the energy vortexes in the Etheric Double. If the circulation of these etheric energies is maintained through proper breathing and positive thinking there will be no need for organ transplants. The vital organs will remain healthy. A new system of color treatment is featured in this talk, It was offered by Sir Arthur Conan Doyle through medium Grace Cook in 1932. It is based on the 12 signs of the Zodiac and their relation to the vortexes and glands in the body. A simple device for bringing in the 12 colors -- called a Rainbow Toner -- and centering them on any part of the body is sketched and explained. 44 pages. \$1.75

BSRA No. 29 - THE LAKHOVSKY MULTI-WAVE OSCILLATOR - In 1925 Georges Lakhovsky

wrote about "Cancer Cures With Ultra-Radio Frequencies" in "Radio News" magazine: "Science will discover, some day, not only the nature of microbes by the radiation they produce, but also a method of killing disease bacilli within the body by proper radiations. The researches I have made by special apparatus have shown such results. . . ." Electronics engineer Bob Beck re-designed and miniaturized Lakhovsky's "apparatus" so BSRF associates could build their own and set up their own research programs on the beneficial effects of soft radio waves on living tissue. The printed brochure is well illustrated with how-to-make photos, including the all-important circular-ringed antennas. There is a schematic drawing of Beck's high-frequency generator circuit. 42 pages, 8 1/2 x 11. ~~\$3.25~~

BSRA No. 30 - THE FIVE RITES OF REJUVENATION - Our most popular reprint of

Peter Kelder's "The Eye of Revelation", which describes psycho-physical exercises used in Himalayan monasteries for thousands of years. The intelligent, daily use of these Rites does stem the tide of premature old age. A month of use will prove that they stimulate the flow of all-important vital energy throughout your Etheric Double and physical body. Ponce de Leon searched Florida for this Fountain of Youth which was right inside him -- if he had only known how to turn it on! The Director of BSRF has been using them for years now and the testimony of friends proves the Rites do the job. The result is a much-improved sense of well-being and over-all younger appearance, through Kelder's "revelation". Printed, illustrated, paper-back

(add 40c for First Class Postage). ~~\$2.00~~

BSRA No. 31 - COLORAHMA or Painting With Light! - The Director of BSRF built his first moving-color projector and gave a color-music concert it in 1961, long before the term Light Show became popular. He found the secret of success in color concert work is equipment which produces an unpredictable series of slowly moving patterns to hold the rapt attention of the audience. In this brochure he gives some of the basic principles for color projection, for art and for therapy, as he learned them and applied them in

dozens of concerts across the country as a part of his lecture work. He also gives detailed drawings of a simple, one-light, one color-wheel, three lens projector called the Colorahma. This is the simplest projector which will produce an endless variety of combinations of pattern and color, for about \$25 worth of parts. There are step-by-step instructions for building the projector, well illustrated with close-up photos of the various parts and assemblies. Included is also a simple electronic circuit for activating the 150-watt spotlight with music, if desired. \$3.50

BSRA No. 32 - THE KOCH TREATMENT FOR CANCER AND ALLIED ALLERGIES - This is third edition, augmented with much new material by the present Director. It was first published by Meade Layne in 1950, a significant contribution to the fight against cancer. President Nixon challenged the world in 1971 to find a cure for this scourge of mankind. The re-issuing of the Koch brochure is our answer to this challenge. THE FULL KOCH TREATMENT is given, as outlined by several doctors who used it with great success. Not only did they cure cancer with one of the three remedies developed by Dr. Koch: Glucose, Parabenzoquinone and Glyoxylide, but they also cured other common killers of mankind, tuberculosis, syphilis, coronary thrombosis, leprosy, polio, etc., not to mention the thousand minor ailments which refuse to yield to drug therapy of the doctors. The Koch remedies are not for specific ailments. They are blood purifiers! Once the blood is purified, usually with just one shot of Glyoxylide, the body can proceed to heal itself and stay healed UNLESS the sufferer continues to indulge the vices which poisoned his blood in the first place! Part I: The bio-electric approach to health of William Koch. Part II: The occult nature of cancer. Part III: The electro-magnetic approach to health. Part IV: The makeup of the Koch remedies, according to Homeopathic principles. 65-page mimeo book, 8½x11, illustrated. \$3.75

BSRA No. 33 - RADIONICS, THE NEW AGE SCIENCE OF HEALING - This contains all of the "History of Radionics" articles from our Journals, from Dr. Abrams in the early 1920s and on. It has detailed instructions for building a modified Dr. Ruth Drown diagnostic instrument, for two treatment instruments, and equally important, a 30-page Atlas of diagnostic and treatment rates! These represent years and years of clinical research, of careful checking and rechecking of patients, disease conditions, and of rates which proved effective time and time again as used by dedicated doctors pioneering in the numbered measurement of etheric vibrations. Included are pages of interviews with the late Dr. Leonard Chapman of Vista, Calif. He studied radionics under both Abrams and Drown and used the instruments for 50 years in his practice as an osteopathic physician. Pictures in this mimeo book include views of Dr. Chapman's diagnostic and treatment instruments, 8½x11, illustrations and drawings. \$5.50

BSRA No. 34 - LETTERS FROM CHRISTOPHER - Book of personal communications from an English schoolboy drowned at sea, 1943 telling of his re-birth out of the flesh, and the birth of the Christ-child in his heart as he takes up the service of rapping with English, Russian and German soldiers who have suffered similar violent rebirths. Most important is Christopher's description of learning to use color keys and color rays to heal the wounded, shattered minds and emotions. His extra-solar system trip to the star Sirius to learn cosmic color blending is especially noteworthy, also his trip to Mars color laboratories. Picture of Christopher, drawings, indexed, 110 pages. **\$3.75**

At the end, the Yada gives a beautiful healing ritual to one of the members of the group, chanting in the Yu language. 1 hr. 20 min. \$6.50 (This tape includes a 15-page transcript of the discussion.)

All tapes are recorded at 3 3/4 speed, Monaural (unless otherwise specified). The above talks and Mr. Crabb's lectures can be had on Cassettes, \$6.50 each. ANNAPOLIS TEA PARTY

By Ann Appleton

A "NEW-MEMBER Tea" for the National Penwomen of Maryland was given on a Saturday afternoon in April 1962 at the Alumni House of the United States Naval Academy in Annapolis, Md.

A friend of mine who still lives there was president of the chapter when our large group assembled in front of the crackling fireplace. About four o'clock I entered the heavy front door of Alumni House and walked directly over to her to say hello.

This woman was someone I knew well as a fellow newspaper writer but at that time I never had met her family. She had two sons and a husband who, I heard, had lost an arm in an accident.

So as I approached the fireplace it did not seem surprising to find a sandy-haired man in a blue tweed suit standing nearby, looking at her. I had the impression that he was holding a small drink in his hand. There seemed to be a little haze around

him but he was definitely there and one of the blue tweed sleeves was empty.

Anyway, my friend and I talked at some length and I thought she surely would introduce me to her husband but she did not. I felt a little put out.

Nevertheless, she and I had occasion to see one another constantly during the next year and in fact became chums which we still are to this day. Finally I did visit her home and meet her husband who has two good arms after all. So I considered the gossip I had heard was in error.

Ten years after that penwomen's afternoon tea my friend stopped at my home in Baltimore. Through the years I had known her she had spoken many times of an intimate friend who had helped make her unhappy marriage bearable. We had talked often of this man who was a well-known personality but who had died before I met her. He was her only true lover in every sense. On this particular day in Baltimore in the course of describing his physical appearance and appeal she said, "He was very attractive although there was always the empty sleeve."
